

Quaid-e-Tehrik Peace Award...A Success...A Promise.

Dear Participants;

We the organizer and the central organizing committee members of the Muttahida Quami Movement of the United States of America are proud to announce that the essay contest held under our banner was a great success. Two hundred and thirty seven (237) contestants sent their writings from almost all major countries of the world. They include not only Pakistanis and Muslims but also other nationalities and religions.

We setup a panel of ten judges from various cities in the United States to judge the work of the participants. These judges were highly educated professionals, such as, lawyers, professors, doctors and engineers.

The essays were rated on the scale of 1 to 10, with 10 being the best. In the first stage, ten best essays were selected on the basis of best cumulative score. The selected essays were sent back to the judges for the second round of selection using the same scale. Three essays were selected in this round, and prizes were allotted according to their scores.

We congratulate the three position holders in this contest and also commend others who participated with their beautiful writings based upon a common thinking.-- Give Peace a Chance.
