

Central Organizing Committee MQM USA Passes Resolution Of Condemnation To Condemn The Swat Incident

Media Cell, MQM USA; April 05, 2009: In a telephonic conference held last night, attended by members of the Central Organizing Committee MQM USA, and, presided by the Patron, MQM USA Ibad Rehman, a Resolution of Condemnation was passed to condemn the Swat Incident of flogging an innocent teenage girl in public. The resolution moved by the Patron, MQM USA said that the office-bearers of MQM USA, on behalf of workers and supporters of MQM USA and on behalf of all those who believe in Human Rights and the values of humanity, do condemn the Swat Incident which is a stigma on the face of civilization in this time of 21st century. The resolution also said that the terrorist activities of Talibans are in sheer antagonism with the values and teachings of Islam and the picture of religion portrayed by these terrorist under the cover of religion is altogether different from the real teaching and spirit of Islam. The resolution also added that MQM USA demands a full fledged and adjudicated probe of the incident. MQM also demands the high ranking law-enforcing officials to take stern measures to arrest the process of Talibanization of Northern Pakistan and urban areas of Sindh. The resolution also added that in the presence of the law of the land, the Talibanic Shariah Rule from FATA must be abolished at once. The participants of the conference approved and seconded the Resolution of Condemnation unanimously.
