

Syed Mustafa Kamal Among The Mayors Of The World: Foreign Policy

Karachi, November 9, 2008: Nazim e Karachi (Mayor of Karachi, Syed Mustafa Kamal has been declared among the top mayors of cosmopolitan cities of the world and second best among the forerunners for 2008 by the world renowned foreign affairs magazine “Foreign Policy”. Syed Mustafa Kamal stands on the top slots for the current year list of best mayors of cosmopolitan cities of the world. He has been placed on the list on the basis of his performance for the last three years.

The survey named “Global Cities Index” was performed with the criteria of screening the performance of various cosmopolitan cities mayors who have worked hard and have provided investment, growth, and comprehensive city planning in their cities. The magazine has remarked that Mr. Kamal is a relentless worker and a symbol of change in the city and innovative planning for the city. The magazine further stated that the Mayor has played a very important role in attracting foreign investors, promoting tourism, and in the development of international relations. The magazine further said that Nazim e Karachi has brought drastic development of the city of Karachi and his slogan that “Karachi will be the second Dubai” has been widely approved.
