

Baloch Leaders' Murder Tantamount To Attack On The Integrity Of Pakistan. MQM USA Denounces The Baloch Leaders' Murder In Its Strongest Terms.

Media Cell, MQM USA; Los Angeles; April 09, 2009: The Central Organizer Kamal Zafar and the members of the Central Organizing Committee, MQM USA, on behalf of workers and supporters of MQM USA have strongly denounced the murder of three Baloch leaders in Quetta, Baluchistan the other day. They said in a statement, issued this morning, that all the non-democratic rituals are on the rise in the country and these murders also belong to the same non-democratic values. They added that since long the province of Baluchistan and its inhabitants, despite of its revenue generation through Gas fields, for the

Center, are being pushed to the wall and extreme sense of deprivation has been developing in this province since long. They also said that the philosophy of Realism and Practicalism put forth by the leader of Muttahida Quami Movement., Mr. Altaf Hussain, is the only remedy for the ailment of injustice and non-paralleled distribution of rights. They said that each and every worker of MQM believes, and is striving for equal rights for all nationwide. They concluded with the note that provincial autonomy, proposed by MQM will be a big achievement for all the people of all the provinces of Pakistan.
